

We are a small group of amateur enthusiasts who dabble in amdram - but have acquired somewhat of a reputation for the pantomimes we have staged annually since the turn of the century. We are open to all ages from 9 to 90, and although our membership is based predominantly in the villages of Shiplake and the surrounding area we have many members from further afield.

Pantomimes are performed on the last weekend of January – all welcome!

[SHADDO - Village Amdram](#)
